## Tomboy Legacy

Tomboy was one of the world's great gold mines, producing more than \$360 million in gold. Tomboy output peaked between 1894 and 1897. The mine sold for an unheard of \$2 million in 1898, equivalent to nearly \$60 million in today’s dollars. Telluride was truly part of the Wild West, hosting characters such as Butch Cassidy and The Sundance Kid. Tomboy Tavern was conceived by Mickey Salloway, a founder of the Whydah Pirate Ship treasure expedition off the coast of Cape Cod, one of the more successful treasure hunts in history. Mickey can frequently be seen in Tomboy Tavern today.
