

Telluride Kids Camp

Summer 2024 Weekly Theme Summaries

Wildlife: Crazy Colorado Critters

Take a step into nature with our wildlife week! Your kids will learn all about the different kinds of animals that reside in the San Juan mountains and the environment that allows these animals to thrive here. Activities during this week include learning about animals, hiking, paddle boarding, and so much more!

History: A blast From the Past

The San Juan mountain range has a unique history. From volcanic eruptions to glacial activity to the Ute nation residing here to the mining boom and the ski town you see today, Telluride has been the site of various historical events. During history week your kids will learn all about the history of the land here through activities such as exploring caves, panning for gold, paddle boarding, and cool nature center programs!

Adventure: Mountain Adventure

Got some outdoor explorers in your family? Adventure week is for you! Telluride has an abundance of exciting outdoor activities for kids of all ages to take part in! Activities include mountaineering, wilderness survival, orienteering, and geocaching during this week of outdoor thrills!

Water: Wild Water Week

Need some time to cool off during the hot summer? Stop by during water week! Kids will have the chance to take part in all sorts of water based activities during this cool week of summer fun! Activities include exploring waterfalls and creeks, river tubing, paddle boarding and more!

Ecology: Diving into Nature

The area around Telluride has a rich ecosystem that is relatively unique compared to other mountain ranges. Lots of different kinds of plants and animals live in the San Juan mountain range. During ecology week, we will learn about all the different living things that make up the world we live in. Activities include mushroom hunting, paddle board bug safari, cool nature center programs and more!

Game Week!!!

Preceding and including our 12th annual Kids Adventure Race is Game Week! Each day leading up to the Adventure Race will have different educational themes surrounding a ton of fun games to play while learning. Some of the activities include pioneer games, ninja games, wildlife Olympics, and aquatic based games on Water Wednesday, and our favorite day of all: Capture the Flag Friday!
