

CUBS CAMP NURSERY SICK

Please Thoroughly Read Our Policies to Ensure Full Understanding

Telluride Ski & Golf, LLC (TSG) reserves the right to limit enrollment or refuse admittance to any child who, in TSG's sole discretion, does not fit into the program due to load limitations, age, adaptability, separation anxiety, causing harm to others, or illness. Any child showing symptoms of COVID -19 **or** any illness, **including the common cold, WILL NOT** be accepted into our program until we discuss the proper protocol depending upon the symptom.

The TSG Cubs Camp Nursery reserves the right to terminate the remainder of the day and or booking if a child; is inconsolable throughout the day, shows continued dangerous behavior such as throwing items, hitting, pushing, kicking, and or biting, and or engages in disruptive behavior such as excessive screaming, yelling, flopping etc. We understand that these behaviors can and are developmentally appropriate for the age in care, however our priority is maintaining safety for the other children in care as well as our staff. If your child is sent home early due to any reason refunds are not promised and will be issued by the Director on a case by case bases.

If, during the day your child shows any symptoms of ANY illness, they will no longer be allowed in our care and will need to be picked up **immediately**. We will contact the parents first and then the authorized adult contact. Your child will be isolated from the group and placed in a safe location until a family member or authorized adult arrives to pick up your child.

By the State of Colorado rules and regulations for our program we are **required** to send children home whom show ANY sign of illness. **This includes but is not limited to, severe coughs, diarrhea, fever, vomiting, flu like symptoms (excessive runny nose, congestion, fatigue, body aches, vomiting, diarrhea especially if one or more at present)**. We take this precaution very seriously, in order to operate to the best of our ability it is important that our staff and the children in our care remain healthy. We appreciate your cooperation in this matter. We see children from all over the world, your understanding and our policies allows us to protect EVERYONE and to provide the best level of quality care. Thank you for understanding.

POLICY for ANY CHILD SHOWING SYMPTOMS OF COVID-19:

Your child cannot return to our program until they have been isolated for 5 days, are symptom free for 24 consecutive hours without the help of fever reducing medication and receive a negative COVID-19 test result that was taken on day 3 and day 5 from the onset of symptoms. Thank you for your understanding and cooperation in this matter! **There are no exceptions!**

POLICY FOR ALL OTHER ILLNESSES

We will provide you with the proper protocol depending upon the symptom and after we have ruled out COVID-19. The protocol will likely be that your child cannot return to our program for at least 48 hours. Your child will then need to be symptom free for 24 consecutive hours **without** the use of fever reducing medication or medication of any kind prior to returning to our care.

POLICY FOR SICK CHILDREN

In the event that your child is sick, you must notify Cubs Camp at The Nursery **no later than 8:00 a.m.** on the day of your reservation. After that time, **you will be charged for the space we have reserved for you.** Children whom develop symptoms in our care or whom are brought into our care sick **will be sent home with NO refund.**

If you are concerned your child is showing any symptom(s) of COVID-19, the common cold, or ANY illness, we recommend **CANCELLING** your reservation ASAP and you will receive a full refund for your entire reservation!

Otherwise your child will be sent home with NO REFUND!

POLICY FOR MEDICATION

In the event that your child has a medication that needs to be administered, the following must be provided: **original container for the medication with the label's instructions, the doctor's orders as well as written parental consent.** Our Staff that administer medications are qualified in accordance with Colorado State Law. We would prefer medication for teething be given prior to drop off, but can be packed and administered with note from parent and or doctor

Please note that the above policies are also followed by our staff to ensure we all stay healthy and can operate in the best manner possible. **Sickness in staff may affect our daily operations!**
