TOMBOY LEGACY

Tomboy Mine was one of the world's greatest gold producing mines with more than \$360 million in gold or \$3.6 billion in today's currency. Tomboy output peaked between 1894 and 1897. The mine sold for an unheard of \$2 million in 1898, equivalent to nearly 60 million in today's dollars. Telluride was truly part of the Wild West, hosting characters such as Butch Cassidy and The Sundance Kid.

Tomboy Tavern was conceived by Mickey Salloway, a founder of the Whydah Pirate Ship treasure expedition off the coast of Cape Cod, one of the more successful treasure hunts in history. Mickey can frequently be seen in Tomboy Tavern today.
